Tell her we will do it. Probably on Monday 23rd Sept. except for 2pm-5pm (TV or rest). EB

If he has an hour at some point that week after the Advisory Board dinner, the Partners would love to sit down with him and discuss plans for this year and collaboration.

Please let us know if he's in town any time from August 10th onward, and otherwise if it's possible to squeak in a one hour meeting after the dinner while he's in town week of Sept 22nd that would be ideal. I know the Partners are trying to ensure they get a private meeting with all the members. We can accommodate whatever schedule Ehud has if it's possible.

If Ehud's schedule has firmed up around September 10th please let me know, as I know the partners would love to meet him during his visit if he is free.

to discuss various initiatives in more depth. You mentioned that Ehud will be in NY around the 10th of September? If so, we would love to schedule a meeting if he has some free time while he's in town.

Let me know if that works.

Caroline

happy to host the Advisory Board dinner on the 22nd if that works. We have Sir Richard Dearlove flying in from London and we have suggested that as the tentative date. If you can let me know if that can be confirmed, that would be great.

I will talk to RP and the partners as I know they'd love to see Ehud and perhaps schedule something for one of the other dates while he's in town.

Thank you again!

Caroline

following evenings, we didn't get the program yet and there are always quite a few events.
I think that the UN winter session opens on sept. 10th and around this date he will spend in NY significant time.
I am confident that he will come in August too, but I don't have a schedule yet.

Hi Nili,

I'm writing on behalf of RP Eddy in hopes of scheduling a time whe

n Ehud will be in New York for an Advisory Board dinner. As of now we are hoping to schedule the dinner at some point between September 22 and 26- is it possible that Ehud will be in NY during that time?

If you can

let me know other times he might be in New York over the course of the summer, we can also look to plan around his schedule.

Best,
Caroline
